Teacher Comments:

*This is our last newsletter for the school year. Thank you for taking the time to read them and show your support of our classroom.

*Our USA Day was a HUGE success and everyone was so helpful that I was able to enjoy the day as well. I truly could not pull off something that big without your help.

*We got busy on Wednesday and added 160 lbs of peat, topsoil, and compost and manure to our flower garden. We also planted tomato plants, flowers, more onions, jalapenos, and cucumbers. The gardens look fantastic!

*I am in hopes to try the lettuce and kale on Monday.

***Flash cards: If you want to keep the +/- and multiplication flashcards over the summer, I will need a note stating that. If you would like me to collect them and send them over to BIS, please send them in with first and last names on them. I need them by Monday.**

*Please keep in touch and if I can help you and/or your child in the future, please do not hesitate to email me.

Hugs from Mrs. Heil
